

Certificate of conformity of the factory production control EN 1090-1:2009+A1:2011

In compliance with Regulation (EU) No 305/2011 of the European Parliament and of the Council of 9 March 2011 (the Construction products Regulation or CPR), this certificate applies to the construction product(s)

Steel structural construction kits

Placed on the market by : **VALMONT France SAS**
Les Marmoulets
F – 03110 CHARMEIL

And manufactured in the factory : **F – 03110 CHARMEIL**

This product is submitted by the manufacturer to the initial type-testing for its relevant characteristics and to a factory production control; the notified body CTICM has performed the initial inspection of the factory and of the factory production control.

This certificate attests that all the provisions concerning the assessment and verification of constancy of performances of **steel structural construction kits** marketed as construction products as described in ZA Annex of the standard **EN 1090-1:2009+A1:2011** under system 2+ are applied and that the product fulfills all the prescribed requirements of this standard.

This certificate was first issued on **22th January 2016** and remains valid provided that the conditions specified in the reference harmonized technical specification, the factory manufacturing conditions or the factory production control itself are not significantly modified, unless suspended or withdrawn by the notified factory production control certification body.

Reference of the range: The description of the range is given in appendix to the present certificate.

This certificate allows the manufacturer, its mandataries, stated in the European Economic Area, to affix the CE marking :

Numéro du certificat
1166 – CPR – 0207

Issue of this certificate, Saint Aubin, 17th November, 2020

CE
1166

Certification Director
Philippe Hostalery

The validity of the present certificate is confirmed if visible on the CTICM website

The present authorized document referenced **RC10-0207-20b** is a translation of the original document. Only the French version is official. The original version includes 2 pages including one annex. Only its reproduction in full is permitted..

This appendix accompanies the certificate of constancy of performance number:

1166 – CPR – 0207

Issued at :

VALMONT France SAS
Les Marmoulets
F – 03110 CHARMEIL

It defines the **fields covered** by this certificate:

- Execution class EXC1 to EXC 2 according to the standard EN 1090-2:2018
- Performances are declared only according to the basic requirement n°1 – Mechanical resistance and Stability which is defined in the annex I of the Regulation (EU) n°305/2011
- High Steel lighting columns: cylindrical-conical or polygonal assembly by fitting
- High Steel lighting columns “Rond Conique Multiple: RCM”
- Structural steel products: steels from S235 to S460 inclusive according to the standards EN 10025-2, EN 10025-3, EN 10025-4, EN 10025-5, EN 10025-6, EN 10210-1, EN 10219-1, EN 10149-1 and EN 10149-2
- Quality requirements for fusion welding of metallic materials comply with the standard EN ISO 3834-3
- Welding coordination: M. NICOLAS Jean Claude
- Assembly by welding or bolting
- Corrosion protection systems : :
 - Paint systems according to EN 12944
 - Thermal spraying according to EN ISO 2063
 - Hot galvanization according to EN ISO 1461
