

Annapurna, strong lines and a familiar design language.

The strong visual lines of the bracket in combination with the sleek contours of the mast to provide a formal framework which helps to add structure to traffic lanes.

To soften this overall look, the masts are detailed with three small points at the junction of the pole and the bracket. This simple design language is borrowed from traditional cutlery and adds a bit of sophistication to the product.

The Annapurna range is 100% Aluminium, 30% of which is Recycled material.

The mast is 6060T5 Brushed Aluminium while the bracket is in AISi7Mg Aluminium alloy.

Available in a range of anodised or powder coated finishes.

This range is designed according to standard EN40 part 1 to 6 and has obtained CE marking 1166-CPD-0006.

Annapurna

Height (m)	Top (mm)	Base (mm)	Door Height (mm)	Door Width (mm)	Door Position (mm)	Internal Dim (mm)	Bolt Spacing (mm)	Flange Width (mm)	Root Length (mm)
4	80	150	500	95	500	85 x 95	200	270	800
5	80	150	500	95	500	85 x 95	200	270	800
6	80	150	500	95	500	85 x 95	200	270	1000
7	100	180	500	120	500	106 x 120	300	418	1200
8	100	180	500	120	500	106 x 120	300	418	1200
